- (a) **Termination for Convenience.** Upon 30 days advance written notice, either party may terminate this Agreement for its convenience; however, such termination will have no effect on Orders executed by the parties prior to its effective date, including but not limited to payment obligations contained therein, and such Orders will remain in full force and effect under the terms of this Agreement for the term specified therein. Orders may not be terminated for convenience unless otherwise specified therein.
- (b) **Termination for Cause.** Either party may terminate this Agreement for cause: (i) upon 30 days written notice of a breach to the other party if such breach remains uncured at the expiration of such period; or (ii) immediately upon material breach by the other party; or (iii) immediately if the other party becomes the subject of a petition in bankruptcy or any other proceeding relating to insolvency, receivership, liquidation or assignment for the benefit of creditors.

6.3 **Effects of Termination for Cause.** Subject to Section 6.2(a), upon termination or expiration, all Orders terminate and the Services purchased pursuant to such Orders terminate and Customer will make no further use of the Services. No termination will relieve the Customer of the obligation to pay any fees accrued or payable to BMC.

6.4 **Termination Assistance.** Upon written request by Customer made within 30 days after the effective date of termination, BMC will make available to Customer a file containing the Customer Data in comma separated value (.csv) or database backup format. Customer is responsible for loading and/or transferring Customer Data into the BMC Subscription Service and for ensuring that such transfer is completed unless BMC is performing this task pursuant to an Order or SOW.

8. MUTUAL CONFIDENTIALITY.

8.1 "**Confidential Information**" means all proprietary or confidential information that is disclosed to the recipient ("**Recipient**") by the discloser ("**Discloser**"), whether orally or in writing, that is designated as confidential or that reasonably should be understood to be confidential given the nature of the information and the circumstances of disclosure, and specifically includes Customer Data, the Services, Service Items and any and all information relating to products or services provided by a Discloser, its customer-related and financial information, software code, flow charts, techniques, specifications, development and marketing plans, strategies, and forecasts. 8.2 **Confidentiality Obligation.** Recipient may not disclose Confidential Information of Discloser to any third party or use the Confidential Information in violation of this Agreement. Recipient (i) will exercise the same degree of care and protection with respect to the Confidential Information of the Discloser that it exercises with respect to its own Confidential Information (but in no event less than reasonable care) and (ii) will not, either directly or indirectly, disclose, copy, distribute, republish, or allow any third party to have access to any Confidential Information of the Discloser. Notwithstanding the foregoing, Recipient may disclose Discloser's Confidential Information to Recipient's employees, contractors and agents who have the need to know provided that such employees and agents have legal obligations of confidentiality substantially the same (and in no case less protective) as the provisions of this Agreement.

- 8.3 **Disclosure Required by Law.** Recipient may disclose Confidential Information to the extent required by law or court order, but must provide Discloser with advance notice to allow Discloser to seek a protective order. Recipient may only disclose the limited Confidential Information required to be disclosed by law or the court order.
- 8.4 **Customer Reference.** BMC may refer to Customer as a customer of BMC internally and only in externally published media if agreed to by Customer.

- 9.1 **Indemnification by BMC.** If a third party asserts a claim against Customer asserting that Customer's use of the Services in accordance with this Agreement violates that third-party's patent, trade secret or copyright rights ("**Infringement Claim**"), then BMC will, at its own expense: (a) defend or settle the Infringement Claim; and (b) indemnify Customer for any damages finally awarded against Customer based on infringement by the Services. If BMC believes the Services may violate a right, then BMC will, at its expense: (i) modify the Services, or (ii) procure the right to continue using the Services, and if (i) or (ii) are not commercially reasonable, terminate Customer's right to use the Services and issue a pro-rata refund for the unexpired pre-paid portion of such Services.
- 9.2 **Indemnification by Customer.** Subject to the terms of this Agreement, if a third party asserts a claim against BMC asserting that the Customer Data or Customer's use of the Service in violation of this Agreement violates that third-party's patent, trade secret or copyright rights, or otherwise harms the third party ("**Claims**"), Customer will, at its own expense: (a) defend or settle the Claim; and (b) indemnify BMC for any damages finally awarded against BMC based on the Claim.

Neither party will bind the indemnified party to a monetary obligation in a settlement or compromise, or make an admission on behalf of the indemnified party, without obtaining that party's prior consent.

THIS SECTION CONTAINS EACH PARTY'S EXCLUSIVE REMEDIES AND THE INDEMNIFYING PARTY'S SOLE LIABILITY FOR INFRINGEMENT CLAIMS/CLAIMS.

**EXHIBIT B
Service Level Agreement**

Availability

BMC will use commercially reasonable efforts to make the BMC Subscription Service available at least 99.9%, except as provided below ("**Service Commitment**"). Availability will be calculated per month, as follows:

$$(Service\ Time - Non-excluded\ Downtime - Excluded\ Downtime) / (Service\ Time - Excluded\ Downtime) \times 100$$

Definitions

"**Service Time**" is the total minutes for a given calendar month.

"**Excluded Downtime**" is all unavailability caused by (1) scheduled or mutually agreed upon downtime to perform routine, non-emergency or emergency maintenance on the BMC Subscription Services; (2) downtime on nonproduction systems; (3) factors outside of BMC's reasonable control, including any force majeure event, including without limitation, acts of God, acts of government, flood, fire, earthquakes, civil unrest, acts of terror, strikes or other labor problems (other than those involving BMC employees), or Internet service provider or power failures or delays; (4) failure of Customer's Internet access or related problems; (5) Customer's equipment, software or other technology and/or third party equipment, software or other technology (other than third party equipment within BMC's direct control); (6) actions or inactions of Customer or any third party; or (7) service suspensions or termination of Customer's right to use the BMC Subscription Services in accordance with the Agreement.

"**Non-excluded Downtime**" is all downtime that is not Excluded Downtime.

Service Credits

In the event BMC does not meet the Service Commitment, Customer will be eligible to receive a Service Credit as described below. Service Credits are calculated in accordance with the table below as a percentage of the total subscription charges paid by Customer for BMC Subscription Services for the month in which BMC does not meet the Service Commitment.

Monthly Availability Percentage	Service Credit Calculation
Below 99.9%	1 hour of credit based on monthly subscription charges for every hour below the Service Commitment

Service Credits will be applied against Customer's next invoice. A Service Credit will be applicable and issued only if the credit amount is greater than \$1 USD. Service Credits may not be transferred or applied to any other BMC service or account. Customer's sole and exclusive remedy for any unavailability or non-performance of the BMC Subscription Service or other failure by BMC to provide the BMC Subscription Service is the receipt of a Service Credit (if eligible) in accordance with the terms of this Exhibit B. Upon expiration or non-renewal of this Agreement and/or the applicable Order, all Service Credits will be forfeited (for example, if the Non-excluded Downtime occurs in the last month of the Order term and Customer does not renew, then the Service Credit is forfeited).

Credit Request and Payment Procedures

BMC will provide Customer with a monthly availability report. To receive a Service Credit, Customer must submit a request by sending an e-mail message to SLArequest@bmc.com. To be eligible, the credit request must (i) include Customer's account number in the subject of the e-mail message; (ii) include, in the body of the e-mail either the BMC-provided monthly availability report, or, the dates and times of each incident of Non-excluded Downtime that Customer claims to have experienced; and (iii) be received by BMC within 30 days after the end of the month in which the Downtime occurred. If the Monthly Availability Percentage applicable to the month of such request is confirmed by BMC and is less than the Monthly Availability Percentage, then BMC will confirm the Service Credit to Customer within 15 days of receipt of the Service Credit request. Customer's failure to provide the request and other information as required above will disqualify Customer from receiving a Service Credit.
